A black and white historical photograph showing the demolition of the Babri Masjid. In the foreground, several people are gathered around the rubble of the demolished structure. In the background, a group of people is standing on a hill, with one person holding a flag. The scene is set against a backdrop of trees and a clear sky.

NCERT Books Drop Babri Demolition References

In Revised NCERT Textbook: A rewrite of Ayodhya dispute – and some deletions/संशोधित एनसीईआरटी पाठ्यपुस्तक में: अयोध्या विवाद का पुनर्लेखन - और कुछ विलोपन

- The revised **NCERT Class 12 Political Science textbook**, does not mention the **Babri Masjid**, but refers to it as “**three-domed structure,**”. It has also cut the **Ayodhya section from four to two pages and** deleted telling details from the earlier version.
- These include: the **BJP rath yatra from Somnath in Gujarat to Ayodhya; the role of kar sevaks; communal violence in the wake of the demolition of the Babri Masjid on December 6, 1992; President's rule in BJP-ruled states; and the BJP's expression of “regret over the happenings at Ayodhya”.**

- The old textbook introduces **Babri Masjid** as a **16th century mosque built by Mughal emperor Babur's General Mir Baqi.**
- Now, the chapter refers to it as “a three-dome structure (that) was built at **the site of Shri Ram’s birthplace in 1528**, but the structure had visible displays of Hindu symbols and relics in its interior as well as its exterior portions”.
- A subsection **on the Supreme Court’s decision on the Ayodhya dispute (titled ‘From Legal Proceedings to Amicable Acceptance’)** has been added in the new version of the textbook.

Parcham Classes

- It then mentions the 5-0 verdict of the Constitutional bench of the **Supreme Court on November 9, 2019 on the Ayodhya dispute.**
- This is the **fourth round of revisions of NCERT textbooks since 2014.**

World Bank expert, Pakistan delegates to visit in J&K to examine hydro projects

- A **five-member delegation from Pakistan**, along with neutral delegates of the World Bank, is scheduled **to visit Jammu and Kashmir from June 17 to 28**,
- in the wake of **Pakistan's objection under the Indus Water Treaty (IWT) of 1960** to at least **10 hydroelectric power projects** underway in the Union Territory.
- The neutral expert will examine the **Ratle Hydroelectric Project in Chenab Valley**, and the **Kishanganga Power House in Bandipore's Gurez**.

- Under the IWT, India was given full rights over the three eastern rivers of Ravi, Beas, and Sutlej, while Pakistan was granted rights over the three western rivers of Indus, Jhelum, and Chenab.
- However, India is allowed limited use of the western rivers for domestic, non-consumptive, and agricultural purposes.

The Indus Waters Treaty (IWT)

■ The distribution of waters of the Indus and its tributaries between India and Pakistan is governed by the Indus Water Treaty (IWT).

■ Was signed on Sept 19, 1960, between India, Pakistan and a representative of World Bank after eight years of negotiations.

■ Partition of India cut across the Indus river basin, which has the Indus river, plus five of its main tributaries.
